

# Planning your garden

Plan your garden  
before you seed

**WATER  
WISE CHOICES**  
are what  
**YOU NEED**

*Arrange plants with similar water requirements together. Things to consider in planning your garden include water run off, making use of sunny areas, screening and existing plants.*

*Check out the Sustainable Landscapes project for useful details including design tips at [www.environment.sa.gov.au/botanicgardens](http://www.environment.sa.gov.au/botanicgardens)*

*Save money and water with a water efficient garden goods rebate of up to \$100 when you spend \$250 on eligible water efficient garden goods.*

*Visit [www.savater.com.au](http://www.savater.com.au) or call 1800 130 952 for details.*

*For more handy tips consult your local nursery or garden centre.*
