## How to submit this application

Please ensure you have provided all information and submit this application using one of the following options:

**By email** Email both sides of this application form and any supporting documentation to [cc@sawater.com.au](mailto:cc@sawater.com.au).

**By fax** Send both sides of this application form and any supporting documentation to fax number (08) 7003 1118.

**By mail** Post this completed application form and any supporting documentation to:  
SA Water  
GPO Box 1751,  
Adelaide 5001

SA Water will endeavour to provide a quote for the connection/s requested in this application in most cases within 20 working days.

### With respect to this application, I agree and accept the following conditions:

1. SA Water will attempt to lay the fire connection in the position shown on your plan. If this is not practical SA Water will determine the position, and this will be advised at the time of the quote.
2. The connection/s will not be constructed until all fees associated with this application have been paid.
3. The application may be delayed if the required information on page 1 is not completed.
4. The fire connection location will be marked on-site in blue paint by SA Water.
5. Any alterations or changes to this application may delay construction and incur additional costs.
