Eligibility Criteria for Plumber's Reimbursements

- SA Water will reimburse plumber's for attending property owners/occupier's blocked drain calls. The plumber will only receive reimbursement if;
 - The blockage is located in SA Water's wastewater connection point (WWCP) or main, and/or
 - Was unable after reasonable attempts to locate SA Water's WWCP to determine if the blockage was located in SA Water's WWCP or main (Refer to Clause 9).
- The plumber will need to call SA Water on 1300 883 121 if the WWCP cannot be located and report the possible wastewater blockage. The job call number allocated by SA Water will need to be recorded by the plumber, in order for any reimbursements to be paid.
- Plumbers must complete and forward the 'Plumbers Claim Reimbursement Application' to SA Water to be reimbursed.
- Plumbers cannot be reimbursed by both the customer and SA Water for the same call out. The customer is liable for any difference between the plumbers standard charges and the reimbursement.
- The claim must not exceed the current reimbursement payments. Please refer to the above table.
- Payment is made 30 days from date of invoice. Invoice date cannot pre-date completion of work.
- Claims must be submitted to SA Water within 60 days of the work being performed.
- All rejected claims to be re-submitted within 30 days of rejection being received in order for your application to be re-assessed.
- Claims for the location of SA Water's WWCP must meet the following criteria;
 - The blockage was located in SA Water's WWCP or main;
 - The WWCP was not located within a reasonable distance of the standard location for the WWCP in footpaths, which is approximately one metre from the side boundary and approximately 0.3m out from the front boundary;
 - The WWCP casting was more than 75mm below the surface or under a paved surface;
 - The plumber attended the property at a time when information on the location of the WWCP could not be obtained by calling SA Water 1300 650 950.

If it has been determined that actions (a), (b), (c) and (d) have been met, this claim will be approved by SA Water.
- Plumbers conducting the work must be appropriately licensed.
- Plumbers cannot be reimbursed by SA Water when additional plumbing work is conducted for the customer at the time of attendance for the wastewater blockage.
- Claims are not valid for plumbers conducting work at their own property.
- Plumbers must notify SA Water on 1300 883 121 of the blockage/choke in the WWCP or main at the time of attendance at the customer's property.
- SA Water's policy requires the plumber to obtain the owner/occupiers signature on the reimbursement form to be eligible. Claims will not be paid without customer details and signature.
