I have attached the following:

Google images   
 Photographs

**REQUEST DETAILS**

**Mural location** (where on the infrastructure will the mural be placed?)

---

**Dimensions of mural** (if known) \_\_\_\_\_

**Materials to be used** (if known) \_\_\_\_\_

**Is the artwork funded or have you applied for funding** Yes /No

(SA Water is not able to provide funding for art projects)

---

**Has a preferred artist been selected?** Yes /No

Provide details if possible, including examples of previous work

---

**Has a conceptual design been developed?**

The artwork should have a water focus and may fall into the categories of local history, connection to the natural environment, or Aboriginal creation stories.

Please provide details?

---

**Please provide details of any measures to ensure the longevity of the artwork, e.g., material selection, coating, regular repainting**

**Will the local community be engaged through this process? If so, how?**

**Please provide any further information regarding the proposal**

Date Requested	
----------------	--

Please ensure you fill in all fields and provide images of the SA Water infrastructure.

An SA Water staff member may call to clarify the information provided.

**INITIAL APPROVAL/NON-APPROVAL**

SA Water will make an initial assessment based on your expression of interest against guideline criteria

We will notify you by email of the outcome.
