Give details of exact discharge point within sewerage network if known (attach any drawings with application).

Give details of discharge address to allow assessment of surrounding sewer if you would like SA Water to provide details of the discharge point.

Authorised representative's statement

This information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information regarding actual quality and quantity and that SA Water may recover from the applicant all costs incurred from addressing or remedying any damage or loss caused by a discharge that does not comply with the conditions of authorisation.

I hereby apply for an authorisation.
