

Date: 14 December 2018

Our Ref: SN905

Dear 

Freedom of Information – Determination

I refer to your application made under the South Australian *Freedom of Information Act, 1991* ("the Act") received by SA Water on 14 November 2018, seeking access to

"copies of incident, assessment and engineering reports relating to incidents of blockages affecting properties on Church Road, Mitcham 5062, particularly house no. 8. Please provide reports for the period 01/01/2013 to 30/09/2018"

SA Water has identified two documents within scope of your request. Document 1 contains the details of wastewater main chokes incidents on Church Road. Document 2 contains details of multiple connection chokes incidents from 2013 to 2018. I have determined to provide you with full access to these documents.

SA Water manages a significant and sizeable network of water and sewerage related infrastructure including in excess of 8,500 km's of sewerage and over 27,000 km's of water mains. Generally, SA Water does not generate additional documentation such as an incident assessment or engineers' reports following a water or wastewater incident, rather the details of each are recorded in SA Water's Asset and Works Management System. Following a search of SA Water records, and in consultation in key staff, I can confirm SA Water did not generate any assessment or engineers reports in relation to the incidents listed in the attached documents, including house no. 8.

If you are dissatisfied with this determination, you are entitled to exercise your rights to internal review and appeal as outlined under Section 29 of the Act. To apply for an internal review, you must lodge an internal review application form with SA Water within 30 days of this determination. Internal review applications can be addressed to the Principal Officer, GPO Box 1751, Adelaide SA 5001.

In accordance with the requirements of the Premier and Cabinet Circular PC045 - Disclosure Logs for Non-Personal Information Released through Freedom of Information, details of your FOI application, a copy of this notice of determination, a schedule of documents and the documents to which you have been given access, will be published on the SA Water website FOI disclosure log. A copy of PC045 can be found at <http://dpc.sa.gov.au/what-we-do/services-for-government/premier-and-cabinet-circulars>.

If you have any queries in relation to the above, or if you wish to obtain a copy of the internal review application form, please contact me on telephone (08) 7424 1777 or via email at freedomofinformation@sawater.com.au.

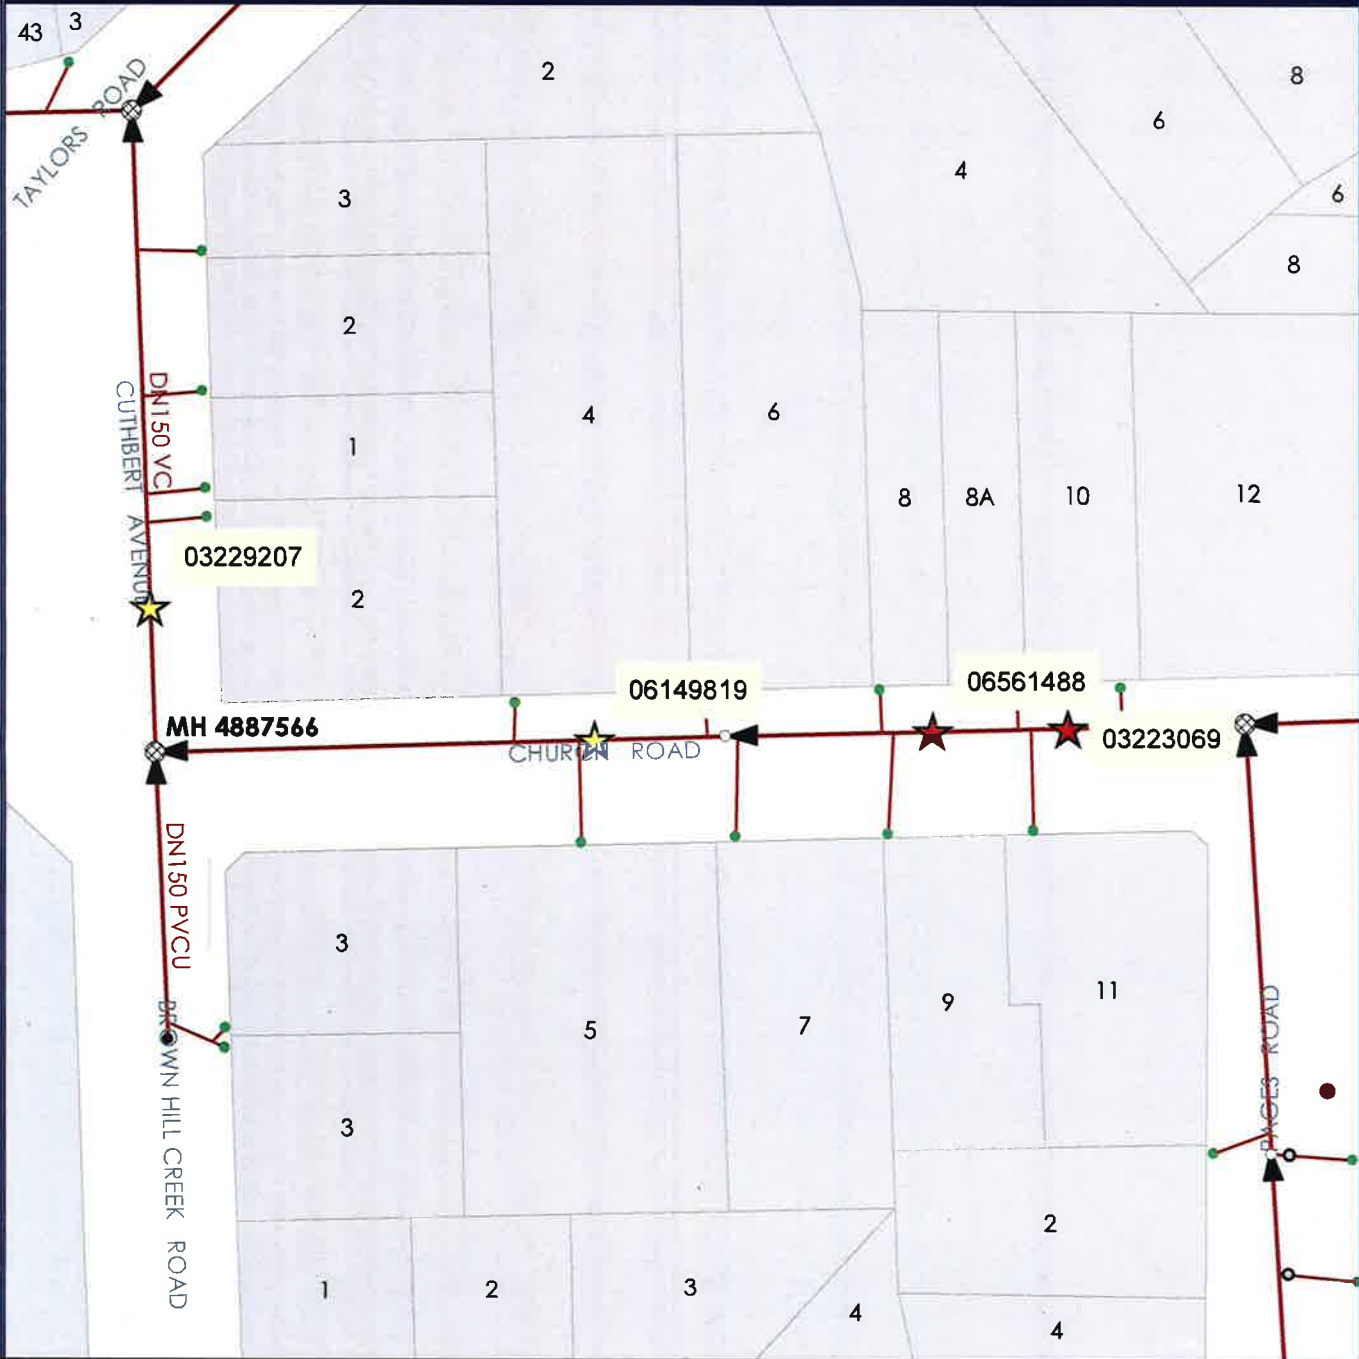

Yours sincerely

Ben Roberts

ACCREDITED FREEDOM OF INFORMATION OFFICER

Wastewater Main Choke/Overflow Details
