

# Hauled waste fees and charges 2017-18

## Liquid hauled waste application

This fee is for processing authorisation applications to discharge water from trade waste to the sewer. Includes GST.

Application service fee	\$209.00
-------------------------	----------

## Liquid hauled waste compliance audit

We inspect customers' premises to assess compliance with their authorisation conditions and confirm operator details. Audit frequency is based on risk. Additional audits may be required where non-compliance is detected. Includes GST.

Audit service fee	\$127.00
-------------------	----------

## Non-domestic hauled waste

Charges apply for non-domestic hauled liquid waste accepted at our receiving stations from tanker trucks. These charges are not subject to GST.

Volume	\$1.395/kL
Biochemical oxygen demand (BOD)	\$0.780/kg
Suspended solids (SS)	\$0.855/kg
Total dissolved solids (TDS)	\$1.436/kg
Total Kjeldahl nitrogen (TKN)	\$0.379/kg
Total phosphorus (TP)	\$1.892/kg

## Domestic hauled waste

Charges apply for domestic hauled liquid waste accepted at our receiving stations from tanker trucks. These charges are not subject to GST.

Septic tank sludge	\$36.69/kg
Septic tank effluent/portable toilet contents	\$7.67/kg

## Replacement receiving station swipe card

Haulers/dischargers are issued swipe cards for use at our septic waste disposal stations. Call 7424 1336 to report lost or stolen cards.

Replacement costs apply. This charge includes GST.

Replacement receiving station swipe card	\$126.00
--	----------

## Administration fee

This fee is for administrative tasks that do not warrant a higher scheduled fee or charge. This charge includes GST.

Administration fee	\$63.00
--------------------	---------
