### General Conditions for Granting Permits:

SA Water may issue permits under Part 6 of the Water Industry Regulations 2012

1. The submitted application must be filled out with each applicable section completed and signed by the SA Water Account holder/s or lessee/s of the property for which the permit is being applied for. If the lessee/s has completed the application form, section 3 must be filled out and signed by the SA Water account holder/s of the property where installation will take place.
2. All specific requirements contained within the permit including full terms and conditions must be adhered to.
3. SA Water supplied drinking water must not be used contrary to the current Water Wise Measures until formal written advice from SA Water Corporation advising that an exemption request has been granted, failure to comply may result in a fine being imposed.

#### Declaration

I/We:

- agree to the above General Conditions for Granting Permits; and
- declare that the information I/We have provided on this application is true and correct.
